### Conflicts:

We would like to accommodate each and every conflict but sometimes that is impossible and you may have to make a choice. The running order for classes will be posted at the ring each day. Please notify the blind steward of your conflict BEFORE we are running your class so we can discuss how to best accommodate.

### We cannot hold a class.

If you are not present by the time your class ends, you will not be able to run your dog in that class for that trial. There are two trials each day but a missed run in trial one cannot be run in trial two and cannot be moved to another day. Missed runs are not eligible for a refund.

### Refunds:

See the premium for any applicable refund policies and notification deadlines.

**Refunds will be made within 10 days of the conclusion of the event.**

### RECEIVE TEXT NOTIFICATIONS:

Many of you are have other events in addition to Barn Hunt. We've set up an account with a text message service that will **send out alerts** regarding classes we are running. If you'd like to opt-in to those messages, please see below for instructions. If you register in advance and have NOT received any messages by the start of the event let us know during check-in so we can figure out what's going on.

**Text @CKC-BH2022 to the number 81010. *Include the @ symbol with no space!***

- You will receive a text message asking to provide your full name.
  - If asked "Are you a teacher, parent, or student" – text reply "S" for student.
  - Then your phone will receive text messages of interest during the event.
  - You do NOT have to download or utilize the software link suggested to receive our text messages on your phone!
- \*This text messaging system is primarily used by educators, so it may reference "classes", "teachers", and/or "students".

**To Opt-Out, text "Unsubscribe @CKC-BH2022" to 81010.**

### Running Order:

**Saturday & Sunday** we will be running UP in levels – Instinct 1 will be immediately followed by Instinct 2, Novice 1 will be immediately followed by Novice 2, Open 1 followed by Open 2, etc.

**Monday** we will be running DOWN in levels – C8 followed by Master 1, Master 2, Senior 1, Senior 2, C8 2, Open 1, Open 2, Instinct 1, Instinct 2, Novice 1, Novice 2.

Lunch breaks will be taken at judge's discretion.

### **But What Time Will My Class Start?**

We get a lot of questions on "when will my class start" for trials. We cannot give out times other than the start of the first class of the day. However, here is a way for you to estimate when your class MAY start running:

On RockyMountainRatters.com under the event page for these trials you'll find a "Judge Limits and Scheduling Chart".

Above, we give entry counts as of the pre-entry closing along with the order the classes will run.

You can multiply out the estimated judging time per run x the entries in each class to get a rough estimate. However, please note that this doesn't include absent dogs, move-ups, day-of-show/late entries, etc. And runs don't always last the "estimated" judging time per run. There are no refunds/credits/moves for missed runs. Calculate at your own risk!

**Entry Counts** (Subject to change with late/day of entries, absent runs, etc):

**THIS IS NOT THE RUNNING ORDER! See above!!**

**Entry Counts (NOT the Running Order!)**  
**There is NOT a morning and afternoon trial!**  
**The trials are run CONCURRENT!**
